Type of project idea	Please, tick the appropriate box(es) and answer the specific questions below: <input checked="" type="checkbox"/> Erasmus+ KA1: International Credit Mobility (KA107 – ICM) <input checked="" type="checkbox"/> Erasmus+ KA2: Capacity Building in Higher Education (KA2 – CBHE)		
If you are interested in Capacity Building projects (KA2), please describe your project idea shortly:			
<ul style="list-style-type: none"> - We are concretely interested in applying an International Master's degree about the Human Rights' Based Approach in Higher Education. It is a continuation of a CBHE project that we have been involved into in the 2013 call and which has resulted in an ABDH Master (www.abdemeducation.eu). Our objective is to apply the Master degree as a mobility action. - We are also interested to develop a CBHE project about Refugees and Migration - We are interested to develop a project about Foreign Language teaching and learning using the Competency-Based Approach. - We are open to any other research topic in the field of Human and Social sciences as partners or project holder. 			
Other relevant information (if applicable):			
Mohamed Lamine Debaghine, Sétif 2 Universityn Algeria was created on November the 28 th , 2011 after the split of Ferhat Abbas University into two. This gave birth to a university specialized in social and human sciences hosting around 20000 students and more than 700 teachers specialized in different disciplines. Sétif 2 University has a considerable experience in international cooperation and has been coordinating important projects with the Council of Europe such as EDIR and ECUD as well as ABDEM and DIRE-MED with the European Union.
